

1. Name of workshop: Create a Learning Path with Canvas Best Practices

2. Date of workshop: 5/30/19

3. Location of workshop: SMU, HEC

4. Course Outline:

a. Brief Overview:

- Re-organize your courses using Canvas best practices. Learn how to save time updating your syllabus and the rest of your course for future terms. Discover how to enable your students to quickly find the content they're looking for. Familiarize yourself with Canvas features that clarify student expectations.

b. Objectives:

- Identify parts of your course where applying Canvas best practices will offer greater student clarity
- Discover Canvas features that save time in course setup and improve student understanding of expectations

c. Comprehensive topical outline:

What are Canvas best practices

How Canvas features can add clarity and save time

Identifying syllabus content that can be moved to Canvas

Organizing content into modules

Revising assignments for clarity and completeness

d. Method of evaluation: Course evaluation survey completed by attendees
