

Nurse Practitioner Programs at SMU

Samuel Merritt University has multiple degree programs leading to the Nurse Practitioner (NP) licensure including: the Entry-Level Master of Science in Nursing – Family Nurse Practitioner program, Master of Science in Nursing – Family Nurse Practitioner program, Post-Graduate APRN Certificate – Family Nurse Practitioner program, Post-Graduate Psychiatric Mental Health Nurse Practitioner Certificate program, Doctor of Nursing Practice – Family Nurse Practitioner program, and Doctor of Nursing Practice – Psychiatric Mental Health Nurse Practitioner program. SMU's programs are accredited by the Commission on Collegiate Nursing Education (CCNE). Samuel Merritt University's NP program graduates are eligible to sit for the American Academy of Nurse Practitioners Certification Board (AANPCB) or American Nurses Credentialing Center (ANCC) certification exams in all US states and territories including, the District of Columbia, Puerto Rico and the U.S. Virgin Islands, *with the exceptions noted below*. However, NP licenses are granted by the licensing authority in individual states and certain licensing boards may require a curriculum comparison specific to that state. Prior to enrollment, prospective students must review the information below.

The California Board of Registered Nursing is the licensing authority for Nurse Practitioners in California Samuel Merritt University. Contact information and licensure requirements for the licensing authorities in other jurisdictions can also be found on the [National Council of State Boards of Nursing \(NCSBN\) website](#). Practice information, by state, can also be found on the [American Association of Nurse Practitioners \(AANP\) website](#). Students are encouraged to review the resources above. If further assistance is needed, please contact the Director/Chair of the program in question by email.
